## EMERGENCY CALLS

What constitutes an emergency? If you have sewer backing up in your home; the town lift station alarm is going off; there is a watermain break, etc. If you have an emergency, the after hours emergency number is:

**639-913-7888**

This number rings directly to our Town Foreman so please only use it if it is an actual emergency. Please call the office during the day for all your needs at 306-827-2218. We are glad to help.

## BUSINESS LICENSES

The Town of Radisson has adopted a new business license bylaw. All businesses licenses in Radisson are \$30 per year unless it is a home-based business which are \$15 per year. Any licenses purchased after September 1st are half price. We promote our businesses on the town website and when people call in. Please come pick up your license.

## RHOBOS MINES & MINERALS

The CEO of Rhobos Mines and Minerals, Amjad Khan made a presentation to Council recently. Rhobos Mines and Minerals has purchased land in Radisson and plans to set up a 3000 sq ft granite and marble manufacturing plant! Until the plant is built, Rhobos' Mines and Minerals office will be in the Tweedsmuir Hall.

## HOUSE NUMBERING

Where are you? If you have an emergency at your home and emergency responders need to find you will they be able to? Please ensure that your house number is clearly posted on the front of your house. If you do not know your house number, please contact the office at 306-827-2218.

You may want to consider getting the house numbers that light up at night as they make it easier for emergency responders to see. Seconds count in an emergency!
