## SAMA OPEN COMMUNITY FORUM

By now, everyone should have received a Notice of Assessment in the mail. Generally, property assessments in Radisson went up between 7%-18%. Please note that this does not mean that your taxes will go up as the budget for 2024 has not been set yet. What it means is that the value of your property increased over the past number of years. The Town knows many people have questions regarding their property assessment. Therefore, the Town of Radisson and SAMA are co-hosting an:

**Open Community Forum on  
Monday, March 11th at 7:00 pm  
at the  
Goodrich Center**

A Senior Property Assessor from SAMA will be coming to explain the how property assessments are determined, how you can access [www.sama.sk.ca](http://www.sama.sk.ca) to look at your property evaluation, and appeal processes. Please note any specific questions regarding individual assessments will not be fielded during the meeting but will be handled individually on a one-to-one basis.

## OPTION PAY SWITCH

The Town of Radisson is switching debit machine services effective March 1st to Option Pay which passes the service fees for using plastic cards to the user rather than the Town. We strongly encourage you to e-transfer, set up automatic debit, or pay by cash or cheque to avoid these high card fees.
